

AZX8CABLERHF

Airzone halogen-free RN cable

Description

Flexible shielded cable. Halogen-free. Used to supply Airzone elements. Supplied in 10-meter cable reels.

Technical specs

Section	2 x 0.70 mm ² (Red-Black)
Conductor	Annealed electrolytic copper Pu Cl.5
Insulation	PVC Type – Tl2
Operating voltage	250 V
AC voltage test	1500 V
Maximum resistance at 20°C	26 Ω/Km
Operation temperature	-5 to 70°C
Materials	Conductor: Annealed electrolytic copper Pu Cl.5 Insulation: PVC Type – Tl2 No outer sheath
