OUR FAMILIES' OPINIONS....

Maravillosa experiencia.

He mandado a mis dos hijas con Enseñalia a Irlanda y a pesar de mi reticencia por una nefasta experiencia anterior con otra compañía, ha sido increíble lo bien organizado que estaba todo y lo atentos que han sido con mis hijas y con nosotros... 100% recomendable...

Quiero expresar mi más sincero agradecimiento por la inolvidable experiencia que le han brindado a mi hija durante su viaje a Irlanda.

Estoy emocionada al ver cómo ha sido acogida con tanto cariño por su familia anfitriona y cómo se ha integrado en su hogar como si fuera parte de su propia familia.

No encuentro palabras suficientes para describir lo agradecida que me siento al ver la felicidad y el entusiasmo en el rostro de mi hija cada vez que comparte su día a día en Irlanda cuando hacer videollamadas. Gracias por superar todas mis expectativas en cuanto a la organización del viaje y por cuidar de ella de una manera tan especial.

El impacto que esta experiencia está teniendo en su vida es realmente invaluable.

Ha conocido personas maravillosas y ha creado lazos que sé que llevará en su corazón por siempre. Verla disfrutar cada momento me llena de alegría y gratitud.

De corazón, les agradezco todo el esfuerzo, dedicación y cariño que han invertido en hacer realidad este viaje. Ha sido una oportunidad única que dejará una huella imborrable en el corazón de mi hija y en el mío propio.

Con profunda gratitud,

Mercedes

Hi

It's been a year since I came to Ireland for the first time and years of my life, not only for the amount of English I learned, but I made and all the life lessons I learned.

You were the best teacher I ever had, and I'm not speaking English, but about how to be better every day, learning from mistakes is a lesson, how to be less angry and have more patience, but overall, how necessary to achieve what I want in life, as I'm doing right now in SI.

I'm getting bigger every day, and every second that goes past my eyes is so forget, but I am 100% sure that I will never forget everything I've learned, and especially you.

I am still talking to _____, and even went to his home in summer. He will come so we still got good relation between everyone. Probably I will visit you one or maybe next summer, or Easter, just know that I will.

Love you

A YEAR THAT CHANGED MY LIFE
